Acknowledgements

I would like to express my sincere gratitude and deep appreciation to my advisor Dr. Metta Kuning and to my co-advisor Dr. Nittaya McNeil for their considerable tuition and kind help throughout the completion of the thesis. I also wish to thank Professor Don McNeil and Dr. Greig Rundle for their helpful suggestions. I would like to thank the Graduate School, Prince of Songkla University for partially funding this study. Finally, I would like to express my deepest appreciation to my mother, father, brother, husband, teachers, and my colleagues for their encouragement throughout my study.
